

Veterinary Behavior Services and Fees

BEHAVIOR PROBLEM APPOINTMENTS

Basic Evaluation:	\$150.00	45-60 minutes
Brief evaluation of the problem, prognosis, estimate for treatment, and initial instructions aimed primarily at keeping pets and people who interact with them safe. Includes two follow-up e-mails or phone conversations. These appointments are best for people who want more information about their pet's problem, but are unsure whether they wish to commit to a detailed treatment plan. These appointments are also appropriate for 'simple' problems such simple housesoiling, preparing for the addition of a new child or pet to the home, or difficulty administering medications.		
Complete Evaluation:	\$350.00	2-2.5 hrs
Full evaluation of the problem, prognosis, detailed written treatment guidelines for the first step in treatment of the problem, including an estimate for further in-clinic follow-up and three months of follow-up via e-mail and phone. These appointments are best for serious behavior problems which will require ongoing support.		
Recheck Appointment:	\$100.00/hour	1-1.5 hrs
Recheck follow-up appointment within 1 month of previous appointment.		
Recheck Appointment:	\$150.00/hour	1-1.5 hrs
Recheck follow-up appointment more than 1 month but less than 6 months from previous appointment. <i>Recheck appointments more than 6 months from the previous appointment may incur additional fees.</i>		
Extended Remote Follow Up:	\$75.00	3 months
Continuation of e-mail/phone follow-up after Complete Evaluations.		
Complete Care:	\$1,000.00	1 year of services
Full evaluation of the problem, prognosis, detailed treatment guidelines, and regular follow-up appointments as needed (at no additional cost). These appointments are best for people who want extended services, for multiple problems or a serious problem which will require ongoing appointments.		

OTHER SERVICES

Annual Behavioral Health Exam	75.00	30 minutes
Yearly behavioral health exam/evaluation; behavior problem prevention and early intervention program. VERY important for puppies and young dogs. Also helpful for newly adopted animals
